

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 266

In the Matter of
PORTLAND GENERAL ELECTRIC
COMPANY,

Net Variable Power Costs and Annual
Power Cost Update.

RULING

**DISPOSITION: PARTIES TO DESIGNATE RELEVANT PREFILED
TESTIMONY FROM DOCKET UE 262**

By ruling March 11, 2013, this docket was opened to examine the net variable power costs associated with Portland General Electric Company's rate case filing, and a separate schedule was established. On March 12, 2013, I notified the parties, through e-mail from my assistant that, while PGE need not refile its testimony on the NVUP/APUC issues in this docket, the parties should make a joint filing to designate which testimony from the general rate revision docket UE 262, should be transferred or copied into this docket.

The parties shall make the filing with the Commission no later than April 1, 2013.

Dated this 27th day of March, 2013, at Salem, Oregon.
