UE 295

In the Matter of

IDAHO POWER COMPANY,

2014 Annual Power Supply Expense
True-Up.

RULING

DISPOSITION: MOTION GRANTED; SCHEDULE SUSPENDED

By motion filed April 28, 2015, Idaho Power Company requests that the procedural schedule in this case be suspended. As grounds for its motion, Idaho Power states that the parties have reached a settlement in principle that resolves all issues in this proceeding. The company requests expedited consideration of its motion because the schedule calls for the filing of testimony on May 13, 2015. Idaho Power states that it has conferred with the other parties who all support this motion.

For good cause shown, Idaho Power's motion is granted. The procedural schedule in this case is suspended.

Dated this 29th day of April, 2015, at Salem, Oregon.
