In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

Request for a General Rate Revision.

RULING

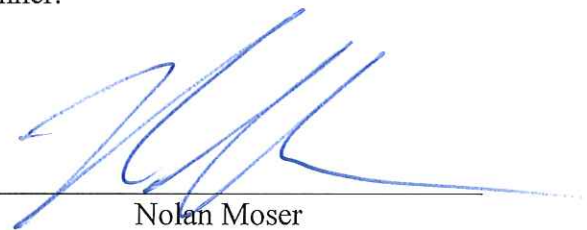

DISPOSITION: MOTION GRANTED

On July 16, 2018, Portland General Electric Company filed a motion in this proceeding requesting its reply testimony, due on July 13 2018, to be considered filed in a timely manner. PGE represents that all parties in the docket received electronic copies of PGE's reply testimony on the due date, but that because of an issue with a courier, PGE was not able to deliver copies to the filing center until Monday, July 16, 2018.

PGE has thoroughly explained its failure to comply with the July 13, 2018 reply testimony deadline, and no party to this proceeding was prejudiced or harmed by PGE's failure to comply with the deadline.

I find that good cause exists and grant PGE's motion. PGE's reply testimony in this proceeding is considered properly filed in a timely manner.

Dated this 16th day of July, 2018 at Salem, Oregon.
