

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UE 335

In the Matter of  
  
PORTLAND GENERAL ELECTRIC  
COMPANY,  
  
Request for a General Rate Revision.

**RULING**

**DISPOSITION: MOTION GRANTED; SCHEDULE AMENDED FOR DIRECT ACCESS ISSUES**

On August 14, 2018, Portland General Electric Company (PGE) filed an unopposed motion to adopt a schedule to address direct access issues only. In support of the motion, PGE asserts some parties in the docket have reached a settlement on direct access issues, while at least one party intends to oppose the settlement. PGE represents that all parties that raised direct access issues have participated in the settlement discussions and are aware of the terms of the settlement and the motion. The current schedule calls for Staff and Intervenor rebuttal testimony to be filed on August 15, 2018. Because of the settlement, supporting and opposing parties request an amended schedule so that testimony on direct access issues need not be filed on August 15, 2018.

I find that PGE has shown good cause for granting the motion and that no parties to the proceeding shall be adversely affected by the change to the procedural schedule.

The motion is granted. The following schedule is adopted for *direct access issues only* in this proceeding:

<b>Event</b>	<b>Date</b>
Direct access stipulation and joint testimony filed	August 20, 2018
Objections and testimony of opposing parties filed	September 4, 2018
Settling parties' response testimony filed	September 17, 2018
Cross-examination statements and cross-exhibits due	September 28, 2018
Hearing	To Be Determined
Simultaneous Opening Briefs due	October 19, 2018
Simultaneous Reply Briefs due	October 26, 2018

For all other issues, no changes to the previously adopted procedural schedule are being requested at this time.

Dated this 14<sup>th</sup> day of August, 2018, at Salem, Oregon.
