RULING

**DISPOSITION: EXPEDITED MOTION TO MODIFY PROCEDURAL SCHEDULE
GRANTED**

On August 26, 2020, PacifiCorp filed a motion to modify the procedural schedule to extend the deadline to file certain pre-hearing materials from August 31, 2020 to September 2, 2020. Specifically, PacifiCorp seeks an extension with regard to the filing of prehearing briefs, cross examination statements, and cross examination exhibits. PacifiCorp indicates that due to the number of issues that remain contested, and limited time since filing of its surrebuttal testimony, additional time is needed to prepare these documents. PacifiCorp represents that it conferred with other parties and Staff of the Public Utilities Commission, the Citizens' Utility Board, Alliance of Western Energy Consumers, Sierra Club, Walmart, Inc., Tesla, Inc., Small Business Utility Advocates, Calpine Energy Solutions, LLC, Klamath Water Users Association, the Oregon Farm Bureau Federation, Vitesse, LLC, and ChargePoint, Inc. support this motion. PacifiCorp requested expedited consideration of its motion.

I find good cause to grant PacifiCorp's motion. The deadline for prehearing briefs, cross examination statements, and cross examination exhibits is extended to September 2, 2020. Additionally, in the memorandum issued on August 10, 2020, I established a deadline of August 31, 2020 for the filing of other prehearing materials, including a list designating who will be actively participating in the hearing (both witnesses and counsel), and, for those who intend to participate in any confidential portions of the hearing, the telephone number that each person will be calling in from. The deadline for those materials is similarly extended until September 2, 2020.

Dated this 27th day of August, 2020 at Salem, Oregon.
