MEMORANDUM

Via an October 6, 2020 email from AHD Support Staff, I requested that the parties to confirm whether they intend to participate in the October 28, 2020 oral argument, and identify the topics they would seek to address. After consultation with the Commission, oral argument will be structured with specific portions of the proceeding addressing the topics listed below. Recognizing that not all topics identified by each party are included, there will be an opportunity at the end of the proceeding for those parties to present argument on the issues not included in the agenda. This agenda identifies the parties that will be participating based on the responses to the October 6, 2020 email and my October 16, 2020 memo. Parties are listed in the order in which they will be presenting. Due to time limitations the structure of the agenda has changed from the anticipated format set forth in my October 16, 2020 memorandum.

Participants in the oral argument will receive an individual link via email to access the proceeding. Please contact Kim Toews via email at kimberly.toews@puc.state.or.us if you will be participating and have not received a link by October 27, 2020.

Please note that the Commissioners will attend the oral argument, and the time allotted includes the time to address any questions from the Commissioners. Parties should be prepared to address questions from Commissioners during their presentations. Parties may use screen sharing to the extent necessary to show an exhibit for illustrative purposes, but the use of power point presentations is strongly discouraged.
