OF OREGON**

UE 374

In the Matter of

PACIFICORP, dba PACIFIC POWER

Request for a General Rate Revision.

MEMORANDUM REGARDING
CONFIDENTIAL SESSIONS FOR
REMOTE HEARING

This memorandum is intended to provide additional updates regarding the portions of the hearing regarding confidential and highly confidential materials.

First, based on the cross examination statements provided, the Commission will conduct two separate sessions of the evidentiary hearing on Friday, September 11, 2020 regarding (1) confidential and (2) highly confidential materials.

Second, due to technical issues, and to ensure that both video conference and screen sharing functions are available, PacifiCorp will be providing a secure Zoom platform for these sessions. Qualified individuals who have been designated as active participants in the parties' cross examination statements will receive an individual emailed link to access the sessions prior to the hearing. Individuals participating in both the confidential and highly confidential sessions will receive one email for each session. These links are for use only by the recipient and must not be forwarded to any other individuals.

Dated this 4th day of September 2020, at Salem, Oregon.

Alison Lackey
Administrative Law Judge
