

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 374

In the Matter of

PACIFICORP, dba PACIFIC POWER

Request for a General Rate Revision.

MEMORANDUM

On December 8, 2020, a memorandum was issued in this docket describing an anticipated bench request, to confirm revenue requirement and bill impact calculations, that was to be issued on December 10, 2020, and detailing that an order in this docket would be issued December 22, 2020.

Having reconsidered this approach, no bench request will be issued on December 10, 2020. Instead, the Commission will issue an order next week, no later than December 18, 2020. The order will resolve all issues in these proceedings but may also leave revenue requirement and other calculations to be reviewed and finalized during the compliance process following the issuance of the order.

Dated this 9th day of December, 2020 at Salem, Oregon.
