MEMORANDUM

Via an October 6, 2020 email from AHD Support Staff, I requested that the parties to confirm whether they intend to participate in the October 28, 2020 oral argument, and identify the topics they would seek to address. After consultation with the Commission, oral argument will be structured with specific portions of the proceeding addressing the topics listed below. Recognizing that not all topics identified by each party are included, there will be an opportunity at the end of the proceeding for those parties to present argument on the issues not included in the agenda.

This agenda identifies the parties that will be participating based on the responses to the October 6, 2020 email. Parties are listed in the order in which they will be presenting. In the event that a party identified below no longer seeks to participate in any portion of the oral argument, please notify Kim Toews via email at kimberly.toews@puc.state.or.us as soon as possible, and no later than October 20, 2020. Additionally, for those parties participating in the “other issues” portion, please confirm by October 20, 2020 the issues you will be addressing. A final participation list for each portion of the agenda is needed to determine the amount of time we can allocate to participants. I will be issuing an updated agenda, including the times allotted for each portion, by October 23, 2020.
