

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 374

In the Matter of
PACIFICORP, dba PACIFIC POWER,
Request for a General Rate Revision.

MEMORANDUM

Due to the number of revenue requirement issues that will be addressed in the forthcoming order, I anticipate issuing a bench request in order to confirm revenue requirement calculations associated with certain potential adjustments as well as bill impact calculations. The target date for issuing the bench request is December 10, 2020, with responses by PacifiCorp due by December 15, 2020. Any party would have the opportunity to file a reply by December 18, 2020.

The procedural schedule established on March 6, 2020, includes a target order issuance date of December 16, 2020, in advance of a rate effective date of January 1, 2021. Due to the time needed to obtain these calculations via bench request, the Commission anticipates issuing an order on December 22, 2020.

Dated this 8th day of December, 2020 at Salem, Oregon.
