RULING

DISPOSITION: MOTION TO SUSPEND PROCEDURAL SCHEDULE GRANTED

On October 6, 2020, Portland General Electric Company filed a motion to suspend procedural schedule in these proceedings. The motion indicates that all parties to this docket, PGE, Staff of the Public Utility Commission, and the Alliance of Western Energy Consumers recently engaged in settlement discussion and have settled all in issues in the docket. The parties are currently drafting a stipulation and supporting joint testimony, and the motion seeks suspension of the procedural schedule. PGE represents that all parties to this docket support the motion, and requests expedited consideration due to deadlines.

For good cause shown, the motion is granted. The procedural schedule for this docket is suspended. If a stipulation is not filed by November 5, 2020, a status report should be filed instead.

Dated this 8<sup>th</sup> day of October, 2020, at Salem, Oregon.
