In the Matter of

PACIFICORP, dba PACIFIC POWER,

2022 Transition Adjustment Mechanism.

MEMORANDUM

On May 19, 2021, the Small Business Utility Advocates (SBUA) filed a petition for case certification for the purposes of accessing intervenor funding for this docket. On June 18, 2021, representatives of the Alliance of Western Energy Consumers (AWEC) and the Oregon Citizens' Utility Board (CUB) communicated with me via email, requesting an opportunity to respond to the request, consistent with Section 6.2 of the Fourth Intervenor Funding agreement. Section 6.2 allows precertified intervenors the opportunity to provide a response to an application to a case certification where invited to do so by the Commission.

AWEC and CUB are invited to provide a response to SBUA's request for case certification. Any response to SBUA's request must be filed no later than 3:00 p.m. on Friday, June 25, 2021.

Dated this 22nd day of June, 2021, at Salem, Oregon.
