MEMORANDUM ESTABLISHING
FILING REQUIREMENTS AND
DEADLINES

Any filings submitted in this proceeding are due by 3:00 p.m. in order to provide adequate processing time for the Filing Center. Filings submitted after 3:00 p.m. will be considered filed on the following business day.

Under OAR 860-001-0400, an answer to a petition to intervene must be filed within ten days after filing of the petition. In order to facilitate timely access to protected materials and expedite the discovery process, parties must indicate intent to file an answer to a petition to intervene within three business days after filing of the petition. The deadline for filing the answer itself remains unchanged.

The Public Utility Commission of Oregon will hold a prehearing conference in these proceedings in the near term. The purpose of the procedural conference will be to identify parties and establish a schedule. The procedural schedule in this case will occur as the Commission evaluates how to best conduct workshops and proceedings during the transition from a remote-only workplace. The public comment hearing occurring at the outset of the case is anticipated to be conducted remotely via Zoom. For any evidentiary hearings or oral argument occurring later in the proceeding, I request that parties be prepared to provide feedback at the prehearing conference on conducting these events in a hybrid format.

When preparing a proposed schedule for discussion at the prehearing conference, I request that parties structure the schedule with no less than eight weeks provided for the Commission's deliberation and preparation of an order after oral argument. Any proposed schedule also must include dates for regular settlement updates.

In addition to regular updates, parties should plan to advise the Commission as soon as practicable when any settlement in principle is reached on any or all issues in order to determine whether any schedule changes are appropriate. I request that the parties confer and provide a proposed procedural schedule no later than 3:00 p.m. on Friday, March 3, 2023.

Dated this 21th day of February, 2023, at Salem, Oregon.
