In the Matter of

IDAHO POWER COMPANY,

2024 Annual Power Cost Update.

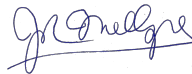

RULING

DISPOSITION: MOTION GRANTED

On April 4, 2024, Idaho Power Company filed a motion to suspend the procedural schedule in this docket. Idaho Power states the parties have reached a settlement in principle resolving all issues in this matter and that the suspension will allow the parties time to finalize and execute a settlement stipulation and supporting briefing. Idaho Power states the parties anticipate filing the settlement stipulation and joint brief in support by May 6, 2024. The motion explains that Commission Staff and CUB support the motion.

After review, I grant Idaho Power's motion for good cause. The remaining procedural deadlines in this matter are suspended. The parties must file a settlement stipulation and supportive briefing or a status report by May 6, 2024, at 3:00 p.m.

Dated this 4th day of April, 2024, at Salem, Oregon.
