In the Matter of

IDAHO POWER COMPANY,

2024 Annual Power Cost Update.

RULING

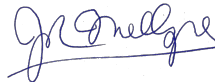

DISPOSITION: MOTIONS GRANTED; STIPULATION, TESTIMONY, AND EXHIBITS
ADMITTED; RECORD CLOSED

On April 12, 2024, Idaho Power Company filed a motion to admit the pre-filed exhibits and testimony of Jessica G. Brady (Idaho Power/100-110, Idaho Power/200-204, and Idaho Power/300-309) along with the declaration of Ms. Brady attesting that the pre-filed testimony and exhibits are true and correct. Also on April 12, 2024, Idaho Power filed a motion to admit the stipulation filed in this docket on April 11, 2024, into this proceeding's record. No party opposed Idaho Power's motions.

I find the testimony and exhibits offered by the parties and supported by declarations of the witness meet the standards for relevance as required by OAR 860-001-0450(1) and satisfy the requirements of OAR 860-001-0480. I grant Idaho Power's motions. The stipulation, testimony, and exhibits are admitted into the record as identified in Idaho Power's motions.

Parties may correct the identification of testimony and exhibits by 3:00 p.m. on Tuesday, May 7, 2024. If no revisions are filed, the record will be considered closed.

Dated this 30th day of April, 2024, at Salem, Oregon.
