

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UE 435

In the Matter of

PORTLAND GENERAL ELECTRIC  
COMPANY,

Request for a General Rate Revision.

RULING

**DISPOSITION: MOTION TO SUPPLEMENT POSITION STATEMENT GRANTED**

On October 18, 2024, the Alliance of Western Energy Consumers (AWEC) filed a motion for leave to supplement its position statement in this proceeding. AWEC states that an omission of the position regarding Rate Base Issue #4 was an oversight. AWEC is requesting that the motion be granted so that the Commission has an accurate and complete record of AWEC's position on outstanding issues. AWEC representatives that it has conferred with the parties to this proceed (Calpine Solutions, ChargePoint, Oregon Citizens Utility Board, PGE, Staff, and Verde) and they do not object.

Because none of the parties object and good cause exists, I grant AWEC's motion to supplement its position statement. The supplemental position statement filed on October 18, 2024, is allowed into the record.
