RULING

DISPOSITION: PETITIONS TO INTERVENE GRANTED

Petitions to intervene, in the second phase of the above captioned remand proceedings, have been received from the following petitioners:

- Avista Corporation
- Idaho Power Company
- PacifiCorp
- Wah Chang

Upon review of these petitions, I find that the above petitioners have sufficient interest in the proceedings, and that their appearance and participation will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. *See* OAR 860-012-0001. Although the period for objection has not entirely passed for all of the above petitioners, no objections have yet been received. Moreover, all of the above petitioners were represented at the prehearing conference held on May 9, 2007, and no objections were made at that time. As opening comments are due today, I find it appropriate to rule on the petitions to intervene, and grant them all.

Dated this 20th day of June, 2007, at Salem, Oregon.
