

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UG 284

In the Matter of

AVISTA CORPORATION, DBA
AVISTA UTILITIES,

Request for a General Rate Revision.

RULING

DISPOSITION: MOTION GRANTED; SCHEDULE SUSPENDED

By motion filed January 16, 2015, Staff of the Oregon Public Utility Commission requests that the Administrative Law Judge issue an order immediately suspending the schedule set in this docket. The reason for Staff's request is that all active parties have reached a settlement in principle that fully resolves all issues. According to Staff, the parties hope to file their stipulation by January 21, 2015, with supporting testimony to follow shortly thereafter.

Staff requests the ALJ give expedited treatment to this motion because the current schedule requires Staff and intervenors to file their respective opening testimony on January 23, 2015.

For good cause shown, Staff's motion is granted. The procedural schedule in this docket is suspended.

Dated this 20th day of January, 2015, at Salem, Oregon.
