

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UG 390

In the Matter of

CASCADE NATURAL GAS
CORPORATION,

Request for a General Rate Revision.

RULING

**DISPOSITION: SCHEDULE SUSPENDED; PARTIES TO FILE STIPULATION AND
TESTIMONY OR STATUS REPORT**

On September 4, 2020, Cascade Natural Gas Corporation (Cascade) filed a Motion to Suspend Procedural Schedule and requested expedited consideration. In support of the motion, Cascade states that the parties in this docket have reached a settlement in principle to resolve all issues in the case, and that additional time is necessary to finalize and execute a settlement stipulation and supporting testimony. Cascade has conferred with all parties to this docket and no party objects to the motion. Cascade represents that the parties anticipate filing the stipulation by September 30, 2020, and that expedited consideration is necessary because the current procedural schedule requires Cascade to file testimony on September 9, 2020.

I find that Cascade has shown good cause for granting the motion.

RULING

The Motion to Suspend Procedural Schedule filed by Cascade Natural Gas Corporation is granted. The procedural schedule adopted by Ruling of May 14, 2020, and as amended by Ruling of May 22, 2020, is suspended. The parties shall file a stipulation and supporting testimony or, alternatively, a status report, on or before September 30, 2020.

Dated this 8th day of September, 2020, at Salem, Oregon.
