

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UG 390

In the Matter of

CASCADE NATURAL GAS  
CORPORATION,

Request for a General Rate Revision.

RULING

**DISPOSITION: SCHEDULE AMENDED**

A telephone prehearing conference was held in above-captioned docket on May 14, 2020, at which time Cascade Natural Gas Corporation, the Oregon Citizens' Utility Board, the Alliance of Western Energy Consumers, and Commission Staff (the parties) proposed a schedule for the proceedings. In my ruling of that date, I stated that the schedule proposed by the parties was adopted with the understanding that dates requiring Commission participation or action are advisory only and subject to the needs of the Commission.

In light of the needs of the Commission, the proposed schedule is hereby modified as follows:

EVENT	DATE
All Parties' Prehearing Briefs	October 12, 2020
Hearing (First Day Set Aside for Commissioner Questions; Second Day for Direct and Cross-Examination)	October 20 (afternoon) and October 21, 2020

Subsequent to the submission of Cascade's surrebuttal testimony, now scheduled for October 9, 2020, the parties shall submit a joint motion setting forth the agreed-upon dates for the submission of lists of witnesses they intend to cross-examine and exhibits to be offered at the hearing.

All other dates on the procedural schedule adopted at the prehearing conference remain unchanged.

Dated this 22<sup>nd</sup> day of May, 2020, at Salem, Oregon.
