UG 490

In the Matters of NORTHWEST NATURAL GAS COMPANY, dba NW Natural, Request for a General Rate Revision.	MEMORANDUM REGARDING SCHEDULE FOR EVIDENTIARY HEARING

The Public Utility Commission of Oregon will conduct an evidentiary hearing in this proceeding via Zoom beginning at 9:30 a.m. on Thursday, July 30, 2024.

The witness schedule for the evidentiary hearings is set forth below.

Witness Panel	**Estimated Time**
NW Natural – Eric Shierman and Curtis Dlouhy	40 minutes

No party filed any cross-examination exhibits by the deadline established in the ruling issued on July 24, 2024. Northwest Natural Gas Company, dba NW Natural, states that it may file additional cross-examination exhibits prior to the hearing after it receives pending data responses and if parties' consent to stipulate their admission.

As set forth in the memorandum issued on July 16, 2024, motions to admit evidence and supporting declarations are due by 3:00 p.m. on August 5, 2024. Any objections to motions to admit evidence should be filed by August 12, 2024.

With its cross-examination statement filed on July 29, 2024, the Oregon Citizens' Utility Board (CUB) included several additional exhibits for inclusion in the administrative record. The deadline for intervenor rebuttal testimony and exhibits was on July 2, 2024. I request that CUB address these additional exhibits and the basis for their inclusion in the record as part of its motion to admit.

We will be recording the proceeding and producing an official transcript. The official transcript will be available from the transcriptionist.

Dated this 30th day of July, 2024, at Salem, Oregon.
