DISPOSITION: PETITIONS TO INTERVENE GRANTED

On March 19, 2004, Strategic Energy LLC and the Confederated Tribes of the Warm Springs Reservation of Oregon filed petitions to intervene, asserting that their business relationships are intertwined with Portland General Electric's business and that they have knowledge and expertise that will assist the Commission and the parties in resolving the issues presented in this proceeding. Strategic Energy LLC and the Confederated Tribes of the Warm Springs Reservation of Oregon assert that their participation in this proceeding will not broaden the issues, burden the record, or unreasonably delay the proceeding. OAR 860-013-0021(2). The petitions are granted. .

On March 16, 2004, City of Portland filed a petition to intervene, which was granted during the prehearing conference. However, this action was not noted in the March 19, 2004, prehearing conference report. It is so noted in this ruling.
