**DISPOSITION: SCHEDULE FOR PHASE II (TRACK II)
ISSUES MODIFIED**

On March 7, 2006, PacifiCorp filed a motion requesting modification to the schedule for the second track of the second phase of the above-captioned docket. Specifically, PacifiCorp requested that the due date for parties to file simultaneous rebuttal testimony on issues other than those related to off-system contracts be extended from March 24 to April 7 of this year. PacifiCorp also requested a ruling that responses to data requests, filed after the new deadline, be due within seven business days. PacifiCorp stated that the proposed schedule would provide parties with additional time to prepare rebuttal testimony without interference with the hearings.

PacifiCorp represents that the following parties agree that the schedule should be revised as proposed: Staff of the Public Utility Commission of Oregon, Portland General Electric Company, Idaho Power Company, the Oregon Department of Energy, Sherman County Court and J. R. Simplot Company, the Industrial Customers of Northwest Utilities, Weyerhaeuser Company, and the Fair Rate Coalition. PacifiCorp also states that no party will be prejudiced by the proposed schedule amendment.

As all of the active parties in the above-captioned docket agree to the proposed schedule, the motion is granted. The schedule is revised, as requested:
