**DISPOSITION: PETITION TO INTERVENE GRANTED**

On August 31, 2005, a petition to intervene out of time (five days after the date to intervene in this phase of the above-captioned proceeding) was filed on behalf of the Co-Gen II LLC (Co-Gen II). Upon review of this petition, I find that Co-Gen II has sufficient interest in the proceeding, and that its appearance and participation will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. *See* OAR 860-013-0021. As the period for objection has passed, the petition to intervene of Co-Gen II is granted.

Dated this 20<sup>th</sup> day of September, 2005 at Salem, Oregon.
