**DISPOSITION: PHASE II BRIEFING SCHEDULE ESTABLISHED**

I received notice from counsel for Staff of the Public Utility Commission of Oregon (Commission) that parties have agreed to the following briefing schedule in the above-captioned docket:

Simultaneous Opening Briefs Due	June 7, 2006
Simultaneous Reply Briefs Due	June 21, 2006

Parties agreed to file briefs upon other parties electronically, unless a party specifically requests other service. The parties further agreed to submit motions to admit testimony, with accompanying affidavits, by May 10, 2006.

I adopt this schedule. With regard to the content of briefs, I ask parties to address each issue identified in this proceeding. If a party does not have a position on a particular issue, that party should indicate its lack of a position in briefs. If appropriate, parties should list the guidelines for the negotiation of QF power purchase contracts that they recommend.

Dated in Salem, Oregon, this 4th day of May 2006.
