In the Matter of an Investigation into Integrated )  
Resource Planning Requirements (UM 1056). )

CONSOLIDATED RULING

**DISPOSITION: SCHEDULE MODIFIED**

On July 6, 2005, the staff of the Public Utility Commission of Oregon (Staff) filed a motion to modify the procedural schedule in each docket. Staff stated that additional workshops were needed, and that due to workload issues, the previously adopted schedule could not be met. Staff indicated that none of the parties objected to the proposed modifications.

Staff's motion is granted. The revised schedule is as follows:

| <b>ACTION</b>  | <b>DUE DATE</b>    |
|--|--------------------|
| Staff-proposed UM 1056 guidelines distributed to parties (not filed)           | August 5, 2005     |
| Staff matrix summarizing parties' positions distributed to parties (not filed) | August 5, 2005     |
| UM 1182 Workshop (Salem)   | August 22, 2005    |
| Opening Comments filed in both dockets   | September 9, 2005  |
| UM 1056 Workshop (Salem)   | September 22, 2005 |
| Reply Comments filed in both dockets   | September 30, 2005 |

Filing is to be completed and "in hand" on the due date. Staff will notify the parties of the time and place for workshops. The parties are free to change workshop dates and locations without approval of the Administrative Law Judge.

Dated this 11<sup>th</sup> day of July, 2005.
