MEMORANDUM

**DISPOSITION: ADDITIONAL INFORMATION REQUESTED**

In reviewing the Stipulation submitted December 23, 2005, a few items have arisen that need clarification. First, in Oregon Commitments 15(c) and 16, the Stipulation refers to ORS 757.568. I assume the parties intended to refer to ORS 756.568. Please affirm that correction or state whether another statute was intended, and submit corrected pages to the Stipulation. Second, in Oregon Commitment 17, the parties state that a non-consolidation opinion will be obtained, but do not state which entity will issue the opinion. Please clarify which entity will issue the non-consolidation opinion. The requested clarifications are to be submitted by January 30, 2006.

Finally, affidavits in support of testimony should be accompanied by motions to admit the testimony into the evidentiary record. If the affidavit has already been submitted, but the motion has not, please file the motion to admit testimony with a reference to affidavits already submitted.

Dated at Salem, Oregon, this 18th day of January, 2006.
