DISPOSITION: MOTION GRANTED

A scheduling conference in this docket was held on March 14, 2008. The parties present agreed to amend the schedule to the following for the remainder of the docket. As part of that schedule, Parties' and Staff's Comments Due on Revised Draft RFP were due to be filed on March 28, 2008.

On April 1, 2008, Renewable Northwest Project (RNP) filed a Motion for Permission to File Comments One Day Late (Motion). In its Motion, RNP describes an internal administrative error at its attorney's office by way of an explanation for the late filing. RNP also represents that neither Portland General Electric Company nor the Commission Staff intends to interpose any objection to the Motion.

RULING

I find that Renewable Northwest Project has demonstrated good cause for the late filing of its Comments. The Motion is GRANTED.

Dated at Salem, Oregon, this 2nd day of April, 2008.
