RULING

DISPOSITION: TIME FOR REPLIES SHORTENED

By motion filed March 22, 2010, the Renewable Northwest Project (RNP) and the Citizens' Utility Board of Oregon (CUB) request an order (1) allowing parties to submit supplemental comments on recent solar installed-cost data, and (2) directing the Staff of the Public Utility Commission of Oregon to submit a rate table that incorporates a revised range of installed costs. RNP and CUB state that their motion is not opposed by numerous named parties.

In view of the status of this proceeding, I shorten time for replies to the RNP/CUB motion. Any reply shall be filed not later than March 25, 2010.

Dated at Salem, Oregon, this 23rd day of March, 2010.
