In the Matters of

PUBLIC UTILITY COMMISSION OF  
OREGON

Investigation into Pilot Programs to

Volumetric Incentive Rates for Solar  
Photovoltaic Energy Systems (UM 1452)

and

A Rulemaking Regarding Solar Photovoltaic  
Energy Systems (HB 3039) (AR 538)

**CORRECTED  
RULING**

**DISPOSITION: MOTION GRANTED**

By motion filed February 4, 2010, the Oregonians for Renewable Energy Policy (OREP) moves for an order extending, by seven days, from February 5, 2010, to February 12, 2010, the time for it to file Closing Comments in Docket Nos. AR 538 and UM 1452. As grounds for its motion OREP cites urgent personal family matters that require immediate attention. OREP states that it has informed all parties of its request, and that no party has objected.

*Although OREP filed its motion in both dockets, procedural concerns require that the motion be entertained only in Docket UM 1452.<sup>1</sup> For good cause shown, **OREP's motion is GRANTED in Docket UM 1452 only.** OREP's final comments in **UM 1452** are due February 12, 2010.*

Dated at Salem, Oregon, this 4<sup>th</sup> day of February, 2010.

<sup>1</sup> If the motion were granted in Docket AR 538, the extension would apply to all participants.
