RULING

DISPOSITION: PARTIES TO MAKE FILING DECEMBER 14, 2012

In a ruling dated October 25, 2012, I adopted a final issues list for this proceeding and directed the parties to confer and develop a proposed schedule. On November 9, 2012, Staff filed a status report indicating that the parties are close to reaching an agreement, and request that the parties be given until December 15, 2012 to file a proposed schedule and recommendations regarding phasing of the issues.

I treat Staff's status report as a motion and grant the request to file a proposed schedule by Friday, December 14, 2012, since December 15 is a Saturday. I remind the parties to also address in the filing what the Commission should do with the various QF proceedings whose issues have now been moved into this proceeding.

Dated this 13th day of November, 2012, at Salem, Oregon.
