OREGON,

Investigation into Qualifying Facility

RULING

DISPOSITION: MOTION FOR EXTENSION OF TIME GRANTED

On April 9, 2014, Portland General Electric Company (PGE) filed a motion for extension of time to file its revised avoided cost prices and the revised standard contract forms that set prices, terms and conditions, consistent with Order Nos. 14-058 and 14-114. PGE requests that the time for making this compliance filing be extended from April 25, 2014 to May 30, 2014.

The time for filing objections to PGE's motion has passed, and no objections have been received by the Commission.

I find that the request is reasonable and will not unduly delay the proceedings. PGE must make its filing on or before May 30, 2014.

Dated this 17th day of April, 2014, at Salem, Oregon.
