

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1716

In the Matter of

PUBLIC UTILITY COMMISSION OF
OREGON,

Investigation to Determine the Resource
Value of Solar.

MEMORANDUM

The purpose of this memorandum is to notify the parties that the Commissioners may participate in the webinar scheduled in this docket for Monday, July 11, 2016.

Commission Staff has contracted with Energy and Environmental Economics, Inc. (E3) to create a methodology for calculating the resource value of solar in these proceedings. E3 will host an informal call-in webinar to explain its proposed valuation methodology.

This webinar is intended for informational purposes only to allow parties and the Commission to better understand the E3 model. Accordingly, the information presented at the webinar will not be considered or used by the Commission as part of the evidentiary record in these proceedings. To the extent parties desire that certain information presented at the webinar be included in the evidentiary record, they may submit such information in later testimony.

Dated this 8th day of July, 2016 at Salem, Oregon.
