

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UM 1716

In the Matter of

PUBLIC UTILITY COMMISSION OF  
OREGON,

Investigation to Determine the Resource  
Value of Solar.

RULING

**DISPOSITION: PROCEDURAL SCHEDULE MODIFIED**

On August 3, 2016, I issued a ruling that postponed the prehearing briefs and deferred further decision on the hearing.

For good cause shown, the August 23, 2016 hearing is canceled. Parties waived cross-examination and the Commissioners do not request any direct examination.

Two rounds of briefs are required to complete this phase of the proceeding. Currently the schedule lists prehearing briefs due on August 12, 2016, and post-hearing briefs due on September 19, 2016. To allow parties more time to complete initial briefs, the schedule is modified as shown below:

<b>EVENT</b>	<b>DATE</b>
<b>Investigation #1- Resource Value of Solar, Phase I<sup>1</sup></b>	
Initial Briefs	August 26, 2016
Reply Briefs	September 19, 2016

Dated this 10th day of August, 2016 at Salem, Oregon.

Sarah Rowe  
Administrative Law Judge

<sup>1</sup> Order No. 15-296 at 2 (Sep 28, 2015) (“The first phase will examine elements and methodologies. The second phase will examine values for each utility using those adopted methodologies.”).
