

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1716

In the Matter of

PUBLIC UTILITY COMMISSION OF
OREGON,

Investigation to Determine the Resource
Value of Solar.

RULING

DISPOSITION: MOTION TO AMEND PROCEDURAL SCHEDULE
GRANTED

On June 30, 2015, Staff filed a motion to amend the procedural schedule. Staff requests a July 20, 2015 deadline for all parties to file comments with the Administrative Hearings Division (AHD) regarding what elements are properly included in the value of solar calculation. Staff also states that it will circulate an internal memo to parties on July 2, 2015. Staff asks that I replace the current schedule with these dates so that the Commission may act on the matter after the parties file comments. Finally, Staff states that no party objects to its proposed modifications.

Upon good cause shown, the motion is granted. The following schedule is adopted:

EVENT	DATE
Staff circulates memo to parties (not filed with AHD)	July 2, 2015
All parties' comments	July 20, 2015

Dated this 1st day of July, 2015, at Salem, Oregon.
