RULING

DISPOSITION: PETITION TO INTERVENE GRANTED

On June 30, 2015 the Oregon Department of Energy (ODOE) filed a petition to intervene in this docket. Upon review of the petition, I find that ODOE has sufficient interest in the proceedings to participate and that its participation will not unreasonably broaden the issues, burden the record, or delay the proceedings.¹ The petition is therefore granted, subject to filing of any timely objections.²

Dated this 6th day of July, 2015 at Salem, Oregon.
