RULING

DISPOSITION:      PETITION TO INTERVENE GRANTED

On August 27, 2015 NW Energy Coalition (NWEC) filed a petition to intervene in this docket. Upon review of the petition, I find that NWEC has sufficient interest in the proceedings to participate and that its participation will not unreasonably broaden the issues, burden the record, or delay the proceedings.<sup>1</sup> The petition is therefore granted, subject to filing of any timely objections.<sup>2</sup>

Dated this 2<sup>nd</sup> day of September, 2015 at Salem, Oregon.
