RULING

DISPOSITION: SCHEDULE SUSPENDED

On September 25, 2015, the parties jointly requested that the schedule in this docket be suspended. In support of the request, the parties state that they are currently negotiating a settlement which will resolve all issues in the current dispute. They propose to file either settlement documentation or provide a status update report no later than October 23, 2015.

I find that good cause has been shown to grant the request. The procedural schedule in this docket is suspended. The parties shall file either settlement documentation or a status report with the Commission no later than October 23, 2015.

Dated this 28th day of September, 2015, at Salem, Oregon.
