

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1734

In the Matter of

PACIFICORP, dba PACIFIC POWER,

Application to Reduce the Qualifying
Facility Contract Term and Lower the
Qualifying Facility Standard Contract
Eligibility Cap.

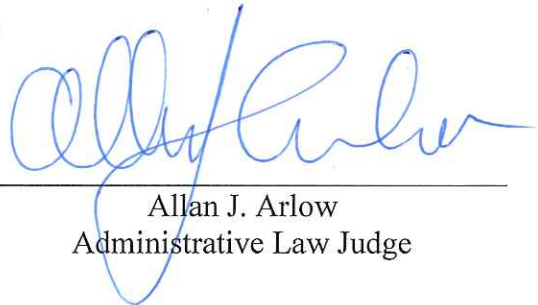

RULING RESCINDED

By ruling of July 10, 2015, the time for parties' responses to PacifiCorp, dba Pacific Power's motion for interim relief was shortened to July 17, 2015, and, pursuant to OAR 860-001-0420(5) the company's reply would therefore ordinarily be due July 24, 2015.

Due to the expedited nature of this docket, I issued a ruling wherein the time for the company to reply to the responses had been shortened to July 22, 2015. PacifiCorp has indicated that shortening the schedule by two days would be a significant hardship and has requested that the regular pleading cycle be retained.

The company's request is granted and the prior ruling is rescinded.

Dated this 17th day of July, 2015 at Salem, Oregon.
