RULING

DISPOSITION: MOTION GRANTED IN PART AND DENIED IN PART;
SCHEDULE MODIFIED

On October 7, 2015, the Commission Staff filed a motion to modify the procedural schedule in this docket to accommodate Staff in finalizing testimony and provide the parties with adequate time to respond and adjust their schedules for the holiday season. In support of the motion, Staff states that its witness has been ill for several days and that the proposed schedule changes have been agreed to by ten other parties and that the three remaining parties have not responded.

I find that good cause has only been shown with respect to changing the first event on the schedule, Staff and Intervenor Testimony filing. The remainder of the motion is denied. The schedule will follow its original course with new events noted as well, below:
