UM 1908

In the Matter of LUMEN TECHNOLOGIES, Proposed Commission Action Pursuant to ORS 756.515 to Suspend and Investigate Price Plan (UM 1908), and QWEST CORPORATION, Investigation Regarding the Provision of Service in Jacksonville, Oregon and Surrounding Areas (UM 2206). Hearing on Orders No. 22-340 and 22-422	MEMONRANDUM REGARDING INADVERTANT DISCLOSURE OF CONFIDENTIAL INFORMATION

On Friday, July 17, 2026, the Administrative Hearings Division (AHD) inadvertently included a confidential excel spreadsheet as an attachment to an email to the service list in docket UM 1908. The non-confidential version of the spreadsheet was meant to be attached. The confidential attachment included addresses and telephone numbers associated with certain customer accounts.

AHD immediately informed the service list of the inadvertent disclosure and instructed recipients to delete the email. AHD subsequently sent a corrected email with the correct, non-confidential attachments. AHD also attempted to recall the email in Outlook, however, the recall was not successful for all recipients. In addition to deleting the email and attachment, any person who received the confidential version of the spreadsheet should ensure that the confidential information is deleted from their browser's cached files.
