RULING

DISPOSITION: SCHEDULE MODIFIED, WORKSHOP CANCELED

Notice is given that the Commission is canceling the Commissioner Workshop scheduled for Thursday, April 5, 2018. At this time, the record is fairly robust, and the Commissioners await the utilities' reply testimony before formulating questions. The Commissioners may seek to add Commissioner Examination to the May 21, 2018 evidentiary hearing, or may add Oral Argument after closing briefs. I will issue another scheduling memorandum in early May explaining next steps.

Dated this 27th day of March, 2018 at Salem, Oregon.
