In the Matters of

IDAHO POWER COMPANY,

Resource Value of Solar.

RULING

DISPOSITION: TESTIMONY AND EXHIBITS ADMITTED; OFFICIAL NOTICE OF TRANSCRIPT TAKEN

On June 25, 2018, the Commission held a Commissioner Examination in this proceeding. The following parties moved to admit pre-filed testimony and exhibits during that hearing: Idaho Power Company and Commission Staff. The motions of Idaho Power and Commission Staff were granted and the following testimony and exhibits were admitted into the record.

Subsequent to the hearing, the following parties filed motions to admit pre-filed testimony and exhibits: on July 11, 2018, the Oregon Solar Energy Industries Association (OSEIA); on July 12, 2018, Renewable Northwest and the Oregon Citizens' Utility Board (CUB); and on July 19, 2018, the Oregon Department of Energy (ODOE). The motions of OSEIA, Renewable NW, CUB, and ODOE are granted. The following testimony and exhibits are all admitted into the record:

PARTY/ EXHIBIT NO.	WITNESS(ES)
Idaho Power/100	Rick Haener
Idaho Power/200	Rick Haener
RNW/100	Michael O'Brien
CUB/100-102	William Gehrke
Staff/100	Brittany Andrus
Staff/200	Brittany Andrus
Staff/300	Brittany Andrus
OSEIA/100-102	R. Thomas Beach
ODOE/100	Robert DelMar

At the hearing, it was requested we take notice of the transcript of the Commissioner Examination in UM 1910 and UM 1912 in this proceeding. This request is granted, and the transcripts of the June 25, 2018 Commissioner Examinations in dockets UM 1910 and UM 1912 are admitted into the record.

If parties have corrections or additions to the above list, please submit them to the filing center with a brief statement of the correction by July 24, 2018. If corrections are requested and accepted, I will issue a final ruling confirming the corrected evidence admitted into the record.

Dated this 19th day of July, 2018, at Salem, Oregon.
