

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1985

In the Matter of

PACIFICORP, dba PACIFIC POWER,

Application for an Accounting Order and
Request for Amortization Related to the
Federal Tax Act.

MEMORANDUM

On January 30, 2019, PacifiCorp, dba as Pacific Power, filed proposed tariff pages associated with Tariff P.U.C. OR No. 36. PacifiCorp made the filing in compliance with Order No. 19-028, which memorialized the Commission's decision at the January 29, 2019 Regular Public Meeting to adopt an agreement to amortize the 2018 deferral balance, plus interest, of the impact of the lower current tax expense due to the Federal Tax Act over a one-year time period beginning February 1, 2019. PacifiCorp's proposed tariff pages includes a February 1, 2019 effective date, and was accompanied by an application for Less than Statutory Notice.

Because the filing was made to implement a Commission decision, we treat the filing as a compliance filing and have docketed it as such. Accordingly, no application for Less than Statutory Notice is required, and the tariff sheets are effective February 1, 2019.

Dated this 1st day of February, 2019, at Salem, Oregon.
