UM 2033

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

RULING

**DISPOSITION: PETITIONS TO INTERVENE GRANTED FOR
 LIMITED PURPOSES**

The Commission has received petitions to intervene in this docket from NW Energy Coalition; ChargePoint, Inc.; Tesla, Inc.; Siemens; and Alliance of Western Energy Consumers (petitioners).

This proceeding is not a contested case proceeding under ORS 183.310(2). Nonetheless, obtaining party status is necessary for purposes of receiving copies of filings made by others and to be eligible to sign a protective order to obtain access to confidential information. For those reasons, the Commission will grant the petitions to intervene, even though party status does not confer the general rights and duties to individuals who participate in contested case proceedings.

The petitions to intervene filed by the petitioners are granted for the limited purposes described above.

Dated this 6th day of February, 2020, at Salem, Oregon.
