OF OREGON**

UM 2273

In the Matter of

PUBLIC UTILITY COMMISSION OF
OREGON,

Investigation Into House Bill 2021
Implementation Issues.

MEMORANDUM

On June 22, 2023, the Green Energy Institute and Sierra Club requested that the Environmental Protection Agency's Green Power Partnership be invited to participate in this proceeding as a stakeholder. The Green Energy Institute and Sierra Club state that the Green Power Partnership has relevant expertise to contribute and that it requires an invitation from the Commission to participate in the proceeding.

While the agenda for the upcoming REC's workshop is full, we do invite the Green Power Partnership to participate either in the stakeholder comment section of that workshop or by filing comments or briefs in this proceeding. Accordingly, we invite the Green Power Partnership's participation in the workshop and in this proceeding.

Dated this 27th day of June 2023, at Salem, Oregon.
