

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 2273

In the Matter of

PUBLIC UTILITY COMMISSION OF
OREGON,

Investigation Into House Bill 2021
Implementation Issues.

RULING

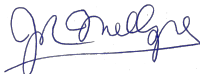

DISPOSITION: MOTION GRANTED IN PART

On September 14, 2023, I issued a memorandum establishing an agenda and schedule for the September 21, 2023, oral argument in this docket. On September 15, 2023, Portland General Electric Company (PGE) filed a motion to amend the procedural schedule in this docket with expedited consideration requested.

PGE’s motion states that it and unnamed settlement parties ask that Issue I(a)(1)¹ be removed from the oral argument agenda, reallocate time to the remaining issues to be discussed at the oral argument, and extend the date for oral argument on the issue to November 2, 2023. PGE’s motion further states it contacted all intervenors in this docket and did not receive any objections or modified the language in the Motion to the satisfaction of all parties.

I find good cause exists to consider this motion on an expedited basis and to grant PGE’s motion in part. However, in order to foster an efficient use of Commission resources, the oral argument is canceled in its entirety. I will issue a subsequent memorandum seeing a new oral argument date where argument will be heard on all issues.

Dated this 15th day of September, 2023, at Salem, Oregon.

John Mellgren
Administrative Law Judge
