

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UW 169

In the Matter of

SUNRIVER WATER LLC,

Request for a General Rate Revision.

NOTICE

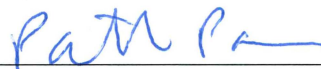

Sunriver Water filed this application for a general rate revision on February 16, 2017. In Order No. 17-02, entered February 21, 2017, we suspended Sunriver's filing for a period not to exceed nine months from March 20, 2017 (until December 20, 2017), the maximum period allowed by ORS 757.215(1).

In the stipulation filed November 6, 2017, the stipulating parties (including Sunriver) agree that the proposed rates will apply to service provided on and after January 1, 2018, which is 11 days beyond the end of the suspension period.

ORS 757.215(2) allows the utility and the commission to enter into a written stipulation extending the suspension period. The stipulation filed by the stipulating parties is between the parties and is not a stipulation with the Commission.

Accordingly, I direct Sunriver to file notice with the Commission within ten (10) days of this notice advising the Commission that it agrees to extend the suspension period through December 31, 2017.

Dated this 17th day of November, 2017, at Salem, Oregon.
