Aspen Lakes Utility Company, Advice
No. 19-1;

Request for a General Rate Revision.

RULING

DISPOSITION: PARTIES TO FILE STATUS REPORT

On November 15, 2019, Staff filed a status report and status report regarding progress by the parties engaged in settlement discussions. Staff stated that the parties would like to continue settlement discussions to resolve rate spread and rate design issues. Staff proposed to provide a status report on or before December 27, 2019, or a request for a prehearing conference to establish a new procedural schedule for issues remaining unresolved. Staff noted that no party objects to this motion.

RULING

I find that good cause exists to grant Staff's proposal. Therefore, Staff's motion is granted and the parties must file a status report no later than Tuesday, December 31, 2019. In the event parties fail to reach a settlement on all outstanding issues, a revised procedural schedule will be set at a prehearing conference to be held in January of 2020.

Dated this 13th day of December, 2019 at Salem, Oregon.
