OF OREGON**

UW 179

In the Matter of

SHADOW WOOD WATER SERVICE
LLC,

Request for a General Rate Revision.

RULING

DISPOSITION: MOTION GRANTED; SCHEDULE SUSPENDED

I. PROCEDURAL BACKGROUND

On October 18, 2019, Shadow Wood Water Service LLC filed a request for a general rate revision. By Order No. 19-398 entered November 18, 2019, the tariff sheets were suspended. A public comment hearing and prehearing conference were held on December 3, 2019. At the prehearing conference, a schedule for the remainder of the case was adopted. The schedule included the date of February 27, 2020 for the submission of the reply testimony of the Staff of the Public Utility Commission of Oregon. On February 25, 2020, Staff filed a motion asking that the procedural schedule in this docket be suspended.

II. DISCUSSION

A. Positions of the Parties

In support of its motion, Staff represents that all of the parties have reached a settlement resolving all issues in the case and that no party has interposed any objection to its motion. Staff further states that the parties have executed a stipulation and will file the stipulation, supporting testimony, and a motion to admit and adopt the stipulation on February 26, 2020. In light of the February 27, 2020 due date for the filing of Staff's testimony, expedited consideration is requested.

B. Resolution

I find that Staff has shown good cause for suspending the procedural schedule.

III. RULING

1. The procedural schedule in this docket is temporarily suspended.
2. The parties shall file either the stipulation, supporting testimony and affidavits, and a motion to admit and adopt the stipulation, or alternatively, a joint status report, on February 26, 2020.

Dated this 25th day of February, 2020, at Salem, Oregon.
